Thanks for doing that Jason. I'll let the Supts approve OT but in event they are tied up before you need to move on it. I believe we're good to go. Your obviously doing your best to minimize OT and not getting the units staged would leave us in a vulnerable position.

Gentlemen,

As you are probably aware, the GOA has purchased several tow trucks and trailers bound for Coutts. This was arranged through PSIO and the ADM.

I have made arrangements to have them delivered to Coaldale detachment at 8am and I require some OT to bring a few drivers in to move them to a secure lot in Lethbridge for staging. Most of the people I have on duty already, but I need to bring in 3 on days off on OT. The whole thing shouldn't take more than 2 hours or so if it goes smoothly.

Thank you,
